

**JCCMHF Year End Client List - Race / Ethnicity / Language Codes  
(updated 4/2015)**

please enter the code as indicated here - codes are NOT case sensitive

if multiple races are reported, more than one race can be entered for an individual by separating each code with a comma (ex: AN,BK).

If reported or collected as "multi or Bi racial" use code MR

if a language, ethnicity or race are not listed, type in the name instead of code
